

# CREDIT UNIONS IN NYC

If your community group would like to gain independence from a fiscal sponsor and open a bank account without paying the mandatory commercial bank fees, visit your local federal credit union! To open an account in your group's name, you will need a tax identification number, also referred to as an employer identification number (EIN). You can obtain this number easily and within minutes by visiting: <https://sa1.www4.irs.gov/modiein/individual/index.jsp>
